Joy to the World

TIN WHISTLE FINGERING TAB | HIGH D WHISTLE | KEY OF D

Filled circles: covered holes. Open circles: uncovered holes. Plus sign: upper octave.

PLAYABILITY NOTE The same fingerings work on whistles in other keys; the melody will sound in a different key.

D+ indicates upper-octave D: open the top hole and cover the five lower holes.

ANTIOCH | Adapted by Lowell Mason | Words and traditional tune: public domain
